Friends of the Foundation

Dear Friends of the Foundation,

Fall is always an exciting time in the Foundation! We have hosted several activities these past few months, including the tailgate, golf outing, Cubs trips, Womens Health Luncheons and more. We continue to keep new equipment funding as a priority on our list of goals. We are currently working to raise funds toward the Sentinel Node Probe for breast biopsies. Our golf outing this fall raised $11,000 toward the $40,000 goal. Maintaining state of the art equipment is essential in order for us to continue to provide excellent quality of care and services. It is because of you and your support that we are able to provide these services to the hospital. I thank you for your continued participation and financial support of the Hammond-Henry Hospital Foundation. Thanks for making a positive difference in your community!

Darcy Hepner
Foundation Manager

Friends,

We are pleased to bring you our second newsletter of the year. With all of the activities of the Foundation, it's important that we keep our supporters up to date on the progress of this vibrant organization.

In addition to the work of the Foundation, I am pleased to report that in September our hospital board approved a master facility plan which lays the groundwork for future development of our hospital campus. We plan to engage architects shortly to help define the scope of our next project. Once the plan is fully completed, our oldest facilities will be the emergency department and main entrance constructed in 1994.

Such plans will continue with an eye to our national and global financial markets as the past few weeks have been marked with unprecedented events. The full impact of "Wall Street to Main Street" has yet to be determined; nonetheless, we are all hopeful for a resolution to keep our economy and the support of the Foundation strong.

Thank you for your continued support in achieving our mission toward bringing quality healthcare within our communities.

Brad Solberg
CEO

GOOD NEWS!

THE IRA CHARITABLE ROLLOVER PASSED!

President Bush signed the $700 billion economic bailout bill (H.R. 1424, The Financial Rescue Package), which includes a two-year extension of the IRA Rollover provision.

The provision will be made retroactive to Jan. 1, 2008 and will apply to gifts made from that date through Dec. 31, 2009.

The provision exempts from taxable income any funds transferred ("rolled over") from an Individual Retirement Account (IRA) to a charitable organization. The following limitations apply:

- The donor must be age 70 years or older.
- The cap on annual IRA rollovers is $100,000.
- The contribution must be a direct gift to a charity (no planned gifts).

Age Requirement. 70+ years old
Donation Limit. Cannot exceed $100,000
Eligible Charities. Must make a direct transfer to a public charity. Contributions to supporting organizations, donor-advised funds, and private foundations, except in narrow circumstances, do not qualify for the tax-free treatment.
Eligible Retirement Accounts. Distributions can only be made from traditional Individual Retirement Accounts or Roth IRAs. Charitable donations from 403(b) plans, 401(k) plans, pension plans, and other retirement plans are ineligible for the tax-free treatment.
Do charitable contributions from IRAs count toward your annual IRA distribution requirement?
Yes, you can give your required distribution to a qualified charitable organization without having to count it in your taxable income.
Directly to the Charity. Distributions must be made directly from the IRA trustee payable to the public charity.
No Gifts in Return. You cannot receive any goods or services in return for a charitable IRA rollover.
Written Receipt necessary for tax deduction.

WHO BENEFITS MOST FROM THE IRA ROLLOVER?

- Taxpayers who don't itemize their deductions.
- Itemizing taxpayers who've reached the charitable giving limit.
- Taxpayers whose tax deductions decrease as their income increases.

AND OF COURSE,
the charity and the community it serves.

IT MATTERS. . .

A NOTE FROM A FAMILY MEMBER

I have been blessed in my lifetime to have had the love and support and example of my grandmother, Hazel Eilers. She was an amazing woman, who died in April, 2007 at the age of 103. She is an example to me of a life well lived.

She's an example of strength and courage during times of adversity as she raised her seven children, one with special needs, after the death of her husband, George, at an early age. She was an example of a strong faith lived out daily as she always had a warm welcoming smile and a kind word for everyone. She was also an example of quiet joy and simple living as she was content with the pleasures of family, friends, gardening and sewing. No matter when you dropped by for a visit, she was ready with an assortment of homemade cookies in the freezer and orange, grape and strawberry pop in the fridge.

While she lived simply, she was also an example of a forward thinker who did not cling to the past. She was one of the first in the area to get a color TV. I vividly remember watching the ***"Wizard of Oz"*** at her home and being amazed when it turned from black & white in Kansas to color in Oz.

In addition to being a forward thinker, she also loved learning. She was an avid reader her whole life. In her later years, she gave up doing needlework. When asked why, she responded that her eyes tired easily and she wanted to save them for reading.

I have learned much about the art of living from this gracious woman. I only hope that I can live life as authentically and grow old as gracefully as she did.

This is why I support the hospital Foundation as I want to share with the organizations that either touched her life directly or represent something important to her. Hammond-Henry Hospital made an impact in both of these areas and I thank you for the wonderful care you gave to my grandma!

Sincerely,
A blessed & grateful granddaughter
Cynthia Eilers Wells

Hammond-Henry Hospital often hears from patients, family & community members regarding the important role the hospital has played in their lives. It is a testament to this great hospital's mission of excellence in patient care and services that many of you may choose to give something back in the form of a legacy gift. These gifts are very important to your hospital's future. Won't you please join us in this endeavor? It's as simple as using the following language on IRA, insurance policy, or other beneficiary designation forms; or providing it to your attorney for inclusion in your will or living trust:

"I leave (e.g. % of your estate, $ amount, residue) to the Hammond-Henry Hospital Foundation, a not-for-profit located in Geneseo, Illinois to support the Hammond-Henry Hospital Foundation."

Enjoying the Foundation Golf Outing

Sam Rescinto and Larry Newburg from Hawkeye Food Service didn't let the weather hinder their attitudes.

Ladies Golf Team — Marion Rodgers, Mary Ann Vandersnick, Connie Driessens and Dixie Wirth

The team of Warren Hadley, Mick Durick, Ron VanVooreen and Gary Wahlheim eating lunch.

Julie Dille & Chris Welch trying to stay dry.

The golf outing was to be held on Monday, September 8. Unfortunately the weather did not cooperate; however, the day was still a great success! Everyone enjoyed the day with a wonderful lunch sponsored by Hawkeye Food Service and many door prizes given by various donors. Golf vouchers were given to all participants for another day of golf. We raised $11,246.00 toward a portion of the Sentinel Node Probe for breast biopsies, a new service at Hammond-Henry Hospital. The total cost of this project is approximately $40,000.

PLAY BALL!

On Friday, May 30 we went to Wrigley Field to watch the Cubs beat the Rockies.

Kris Atwell with her father, Dale German

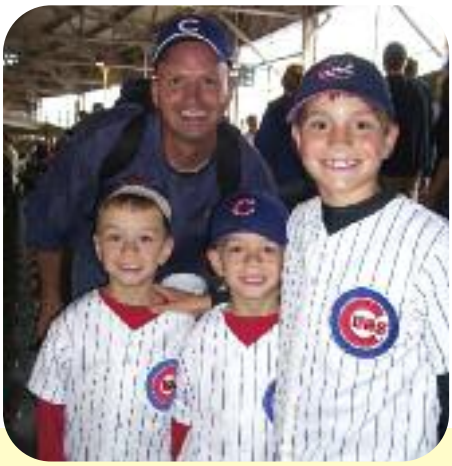
Doug & Nathan Curran

GO CUBS!

We traveled to Milwaukee's Miller Park on Thursday, July 31 to see the Cubs beat the Brewers.

The Heaton family

One of the Cubs biggest fans, Jesse Dobbels, with the big "W"



Klint Rice and his sons, Marshall, Carson and Charlie

Hammond-Henry Hospital Foundation Annual Report 2008

June 1, 2007- May 31, 2008

GIFT FOUNDATION FUNDING

We have received grant dollars from the GIFT (Geneseo Is For Tomorrow) Foundation for the past four years. We have been selected again this year as a recipient awarded through the Bill & Susan Sherrard Foundation, which GIFT manages. These grant dollars are given to Hammond-Henry Hospital Foundation to help some of the patients who are financially less fortunate than others. A few of the items we have purchased or help fund include:

- Lift chair
- Eye glasses
- Dental visits
- Low vision items
  (bingo cards, games, magnifying glasses)
- Assisted devices
  (reacher/grabber, commodes, Therabands)
- Wheelchairs/Roho Cushions
- Wireless headset for TV
- Social Services - Respite Care
- Activities - Field trips

Thanks to the GIFT Foundation
for their support back to the members of the community.

ANNUAL REPORT — ITEMS PURCHASED THIS YEAR INCLUDE:

EQUIPMENT	DEPARTMENT
EEG Machine	Cardiopulmonary
Lift recliner	Home Health & EC
Discretionary funds	Social Services
Projection screen	Information Technology
Cold pack chiller	OT Rehab
Nintendo Wii	Activities
Dentures	Resident
