Friends of the Foundation

Dear Friends of the Foundation,

As we look back over the past 10 years the foundation has been in existence, it is exciting to see the growth and changes of the hospital. Thanks to you for your support over these years, the foundation has been able to help with equipment purchases, projects and grow the endowment fund for the hospital. A few of the most recent purchases we've made include: Cardiopulmonary EEG machine,

Obstetrics fetal wireless monitoring system, Cardiac rehab telemetry system, five defibrillators, dining room furniture for extended and skilled care and the dining room renovation. Because of your involvement and support the hospital remains a vital part of this community, and I thank you. I encourage you to continue to participate in supporting the Hammond-Henry Hospital Foundation.

Darcy Hepner Foundation Manager

Dear Friends,

Thank you for your ongoing support of the Hammond-Henry Hospital Foundation. We are very proud of the progress the Foundation continues to make in support of the hospital's mission of providing quality healthcare in our community. I hope you enjoy this update on the Foundation's activities.

In our previous issue, I mentioned that we do not have any construction going on at Hammond-Henry. Nonetheless, as we go to print, we have just hired an architectural firm to help lead us in the further development of our facilities. Five years ago, we developed a master facility plan that has provided us with a roadmap for the development of our facilities. Currently, we have several immediate needs including better privacy for the admissions area, better patient flow in outpatient areas and consideration of a third operating room.

Our board is completing its strategic plan that will help guide our priorities for the next three years. Issues of top priority are physician recruitment, further investment in technology, construction, and reinforcement of our commitment to quality.

While plans are nice, results are what matter. We remain committed to patient satisfaction results that are consistently in the top ten percent of all hospitals nationwide. We're also committed to providing our patients with an attractive, comfortable, user-friendly environment.

Thank you again for your support of the Foundation. I look forward to seeing you at one of our upcoming events!

Hammond-Henry Hospital Recognizes Donors

Business Donors. Left to right:

Joe Mickley, Hanford Insurance; Jeff Ford, Geneseo Communications Charitable Foundation; Bob Kuhns, GIFT Foundation; Darcy Hepner, Foundation Manager; Tim Wells, Wells Fargo Bank; Bryce Chamberlain, Geneseo Foundation and Central Bank; Joel Vandemore, Vandemore Funeral Home; and Steve Emmerson, Foundation Board President. Not pictured is Brett Lohman, Lohman Companies.

HHH Foundation recognized individual donors during a dinner in the hospital cafeteria. Individuals: Gene & Kathy Griffith, Steve Emmerson - HHH Foundation President, Hayden & Faith DeDecker, and Darcy Hepner - HHH Foundation Manager. Not pictured are Dr. Calvin & Kris Atwell, Dr. Don & Maureen Ford, and Margaret Buyck.

Lois Parker Memorial Gift

Jeff and Penny Ford donated gifts in memory of Lois Parker to purchase a lift recliner chair for use by patients in skilled care.

Memorial Donation

The Hammond-Henry Hospital Foundation recently purchased a Nintendo Wii for use in the activity department with residents in extended and skilled care. The purchase was made possible through funds donated by Jeff and Penny Ford in memory of Lois Parker. Pictured are students from Mrs. Ellen Nelson's 2nd grade class at Northside School who are participating in a game of Wii bowling with activity assistant Tammy Welge and Marie Hasselbusch. For over 10 years Mrs. Nelson has been bringing classes to the hospital to share in activities and spend time with residents.
