Registration begins at 9:00 a.m. and the meeting starts at 9:30 a.m.

To wrap up our meeting the Nutritional Services department will serve lunch. In recognition of National Volunteer Week, HHH provides lunch for our volunteers that day to honor and thank all volunteers and Auxiliary members for the services you provide to the patients at HHH.

HHH Auxiliary Scholarship

Each year at the Auxiliary Ice Cream Social the HHH Auxiliary introduces the recipients of the scholarships. These students are pursuing a career in the healthcare field. In 2023, the Auxiliary awarded 14 students with scholarships.

The Auxiliary is once again accepting applications for the scholarships. Please see the link below which contains the information and requirements for the scholarships.

If you know of any students who would qualify, please give them this information. With healthcare being such a challenge anymore, we want to help our future generations pursue careers in healthcare.
