Solo Mobile Device + Wearable Help Button

*Our medical alert systems offer:*

- 24/7 emergency monitoring service
- Two-way communication
- Water resistant (wearables only)
- Easy to use (installs in seconds)
- Optional automatic fall detection

***We're here  
for you.***

## **OTHER BENEFITS OF OUR MEDICAL ALERT SYSTEMS:**

- Not based off landlines but cell towers, so you can go anywhere and still have the security of knowing someone is there at the touch of a button.
- Should you fall or need assistance, emergency personnel and anyone on your contact list will immediately be notified.
- The Solo System is water resistant, so no worries if you fall in the shower.
- You can even utilize the option for a keybox should emergency personnel be called and no one is able to answer the door.
