## Thank you!

Dear Volunteers and Auxiliary members,

Words don't do justice to the gratitude I feel toward all of you for the support, cooperation and inspiration you have given me the past 20 years as HHH Volunteer/Auxiliary Manager. I am deeply humbled by your spirit of selfless service to others and by the example you set. You are doing great work and your efforts truly make a difference.

Thanks to all who attended the retirement reception (I was overwhelmed!) and for all the well wishes I have received. It has been an honor and a privilege to be part of your efforts to serve Hammond-Henry patients and our community hospital. I will miss you all a great deal.

With much appreciation,

*Julie West*
